Silent Auction Tips

Arrive in time to get a good look at all the items and take part in good cheer! You will be assigned an auction number. This will also be your number for the door prize drawings (you must be present to win).

Read about each item on its bid sheet and in this booklet.

Write your auction number and bid amount on the bid sheet for items you choose. *Verify all slots are full before moving to the next \$ amount.*

Check your bid often; if the slots are full you can bid again by writing a higher number in the “price” column and your auction number in the adjacent slot. Make sure you are high bidder in each slot you want to win.

The silent auction items are color coded to end either at 8:20 pm (red) or 9:15 (blue). Look for the signs and listen for the announcements.

Live Auction

(also known as “not so silent auction”)

To bid on an item, **hold up your auction number and call out (or hold up fingers) for the desired number of slots and your bid amount.**

A demonstration in the first round of live auctions will help you see how to keep track of how many slots you have.

There will be several different sessions of bidding, so pace yourself!

Payment Policy

Please pay at night of auction...bring your checkbook,
Visa, or Mastercard.

All items **MUST** be paid for by December 15, 2017.

Bull Run Unitarian Universalists Mission Statement

Bull Run Unitarian Universalists (BRUU) is a safe community for seeking and service

Welcoming Congregation

Bull Run Unitarian Universalists is a Welcoming Congregation which celebrates and supports the lives, the relationships, and the individual and group contributions of its lesbian, gay, bisexual, and transgender members and friends. We affirm and promote their full participation in the life of the congregation and community. We pledge our congregation's commitment to continue dismantling the belief that heterosexuality is the only normal, acceptable, and healthy sexual orientation.

Unitarian Universalist Principles

We, the member congregations of the Unitarian Universalist Association, covenant to affirm and promote:

- *The inherent worth and dignity of every person.*
- *Justice, equity and compassion in human relations.*
- *Acceptance of one another and encouragement to spiritual growth in our congregations.*
- *A free and responsible search for truth and meaning.*
- *The right of conscience and the use of the democratic process within our congregations and in society at large.*
- *The goal of world community with peace, liberty, and justice for all.*
- *Respect for the interdependent web of all existence of which we are a part.*
